

## We would like to welcome you to the 2<sup>nd</sup> Saturday Lecture Series

### Part 1

Once again we are going to have a very insightful speaker on an area many inventors and designers will deal with in their process of realizing their patent.

We hope fellow inventors will take advantage of this opportunity to acquire knowledge on patent applications and registration.

### Part 2

The networking session will follow after the talk .

Date : 16<sup>th</sup> February 2008  
Time : 2pm-4pm  
Address : MINDS  
Damansara Intan , C3A10 4<sup>th</sup> Floor Block C  
No. 1 Jalan SS20/27 47400 Petaling Jaya Selangor

Presenter : Mr. Lee Yuke Chin  
Topic :

### **“Patent Application - Paris Convention and Patent Cooperation Treaty (PCT)”**

The talk is concerned with inventors who want to register patent in Malaysia and in foreign countries. Inventors who filed patent applications in Malaysia within the past 12 months should also attend, in order to know how to make use of PCT for filing in foreign countries.

Mark your calendars , we look forward to see you there!
